FOR CRUMB CRUST, blend 1/4 cup melted butter with 11/2 cups erushed vanilla wafers. Press crumbs into 8" pie plate. Bake in moderate oven (350°F.) 5 minutes or until browned.

Some Punch Bowl! My grandmother's punch bowl is big, but the largest single batch of punch on record is one prepared for a British party in 1694. Some 6,000 people attended and the quantities involved were so great that the punch was actually mixed in an outdoor fountain and ladled out by a boy who floated on the
